

Arc Support with Slide, Right

Article No : 1006747

Arc Supports are used to set the Z coordinate on Leksell Stereotactic System. Slides are used to set the X coordinate in A-P arc orientations and the Y coordinate in lateral arc orientations.

This kit includes the following components:

- ARC SUPPORT RIGHT
- SLIDE RIGHT
- LOCKING PIECE FOR Y-SLIDE
- 2 SCREWS MC6S M4x8 A4-70
