

Leksell Vantage Head Frame Positioning Band, 10pcs

Article No : 1523008

The single use positioning band is an aid in the shape of a cross. It may be used to support the head frame in position on the patient's head while measuring which FirmFix™ pin to use with the dedicated ruler, and during the attachment of the head frame to the patient's skull. The head frame positioning band is manufactured using a biocompatible velcro.
