

## MRI Head Coil Adapter, universal

Article No : 1098528

MRI Head Coil Adapter, Universal is used together with the Leksell Vantage Stereotactic System to support the patient's head inside a MR Head coil.

This coil adapter has four rubber feet to provide friction and reduce head movement in the MR head coil. It can be fitted in MRI coils with minimum of 250 mm in diameter.

This product replaces 1053930.

This product is the same as product 1040087 registered under the Medical Device Regulation.
